Woodies Part 2
Spring 2017

Pineapple Guava

Feijoa sellowiana

- H: 12-15 feet W: 12-15 feet
- Broadleaf evergreen shrub grows best in well drained soil
- Fruit and flowers are edible
- Showy flowers in the spring
- Guava-like fruit ripens in late fall

Rose Peach Drift *Rosa Peach Drift 'Meiggile'*

- H: 12-24" W: 2 feet
- Floriferous dwarf shrubs
- Soft peach blooms cover the plant from mid-spring to the first hard freeze of late Fall
- Strong disease resistance
- It's low, spreading habit makes it perfect for small gardens and combination planters

Rose Red Drift

Rosa Red Drift 'Meigalpio'

- H: 12-24 inches W: 2 feet
- Floriferous dwarf shrubs
- Red petite cluster cover the plant from spring to summer
- Strong disease resistance
- It's low, spreading habit makes it perfect for small gardens and combination planters

Yellow Climbing Rose

Rosa Radsun Carefree Sunshine

- Semi-evergreen climbing rose
- H: 15 - 20 feet long
- Growth: fast
- Brilliant yellow flowers in spring through summer won't fade. Medium green foliage.
- Plant in average, moist well-drained soil. Deep watering at first.
- Needs full sun

Lady Banks Rose

Rosa banksiae 'Lutea'

- A vigorous climber with rich-green foliage on thornless slender branches.
- Miniature, double yellow or white blooms have a slight fragrance.
- Heavy and prolific spring display. Evergreen in milder climates. Needs regular watering
- Fast-growing, vining habit to 15 to 20 ft. long.
- Seacoast exposure
- Blooms Spring or Early Summer

Dwarf Sabal Palm

Sabal Minor

- H: 5-8 feet W: 3-6 feet
- Also called: Swamp Palmetto, Dwarf Palmetto
- Drought tolerant; slow growth
- Moist well drained soil
- Evergreen

Japanese Snowball 'Popcorn'

Viburnum plicatum var. *tomentosum* 'Popcorn'

- H: 8-15 feet W: 10-18 feet
- Deciduous shrub blooms late Spring
- 3" Rounded blooms stand out against olive-green foliage
- In Autumn, leathery leaves turn rich shades of red, maroon, and purple

Hydrangea 'Let's Dance Rhythmic Blue'
Hydrangea macrophylla 'Let's Dance Rhythmic Blue'

- Deciduous shrub, re-blooming Hydrangea
- H: 24-36 inches Spacing: 24-36 inches
- Part to full sun
- Prefers moist, well-drained soil. Needs regular watering weekly
- Blooms on new and old wood: mid-summer, early-fall. May be trimmed after early summer flowering. Add aluminum sulfate to soil to encourage blue flower color

Hydrangea 'Twist-n-Shout'

Hydrangea mac. Endless Summer Twist-n-Shout

- H: 3.5 feet W: 3.5 feet
- Well drained soil
- A re-blooming lacecap with sturdy red stems-- a cross between Penny Mac and Lady In Red
- Blooms pink or blue depending on soil pH late spring through fall
- Blooms on old wood

Hydrangea 'Bobo'

Hydrangea paniculata 'Bobo'

- H: 3 feet W: 3 feet
- Dwarf compact deciduous shrub
- Large upright white flowers in late summer
- Blooms turn pink to burgundy in fall

Hydrangea Oakleaf 'Gatsby Star'

Hydrangea quercifolia 'Doughill'

- H: 5-6 feet W: 5-6 feet
- Deciduous shrub
- Double white star shaped blossoms, initially white but age to wine-red
- Foliage turns deep burgundy in fall
- Coastal tolerant

Hydrangea 'Cardinal Red'

Hydrangea macrophylla 'Cardinal'

- Deciduous French mophead shrub
- H: 4 feet Spacing: 4 feet
- Prefers shade in moist soil
- Blooms on new and old wood: mid-summer, early-fall. May be trimmed after early summer flowering
- Produces dark, cardinal-red flowers with serrated edges on each petal.
- Develops excellent purple foliage color in the fall.

Hydrangea 'Double Delights'™ Wedding Gown

Hydrangea macrophylla Wedding Gown

- Deciduous shrub; Lacecap Hydrangea
- H: 3-4 feet Spacing: 3-4 feet
- Can tolerate full sun but prefers partial shade in a protected area
- Needs regular watering weekly
- White flowers grow on old wood so prune in August not spring
- Repeat bloomer

Holly Dwarf Yaupon Bordeaux

Ilex vomitoria Bordeaux-Condeaux

- H: 3-4' W: 4-6' W
- Well drained soil
- Drought and humidity tolerant
- Insect or disease problem free
- Salt tolerant
- Dense multi-stemmed evergreen shrub with a mounded form

Weeping Yaupon Holly

Ilex Vomitoria Pendula

- 10-20' H 8-12' W
- Native plant that attracts birds and butterflies
- Drought tolerant
- Red berries. Small evergreen shiny leaves usually multi-trunked.
- Yaupon attracts birds and is larval plant for Henry's elfin butterfly
- Good screen plant; salt tolerant and transplants easily. Attractive drooping branch structure.

Fringe Flower Chinese 'Ruby'

Loropetalum chinense 'rubrum'

- H: 4-6 feet W: 4-6 feet
- Broadleaf evergreen with rounded growth habit and reddish purple leaf color
- Dark pink flowers in early spring
- Moist well-drained slightly acidic soil

Loropetalum Emerald Snow®

Loropetalum chinense 'Shang-White'

- H: 3-4 feet W: 3-4 feet
- Fringe flower
- Evergreen
- Emerges in the spring with bright lime-green foliage, turning to green during summer
- Compact shrub has showy white spider flowers in spring and may repeat in fall
- Needs regular watering, especially in midsummer heat.

Dwarf Chinese Fringe Flower

Loropetalum chinense daruma

- H: 3-4 feet W: 3-4 feet
- Evergreen produces red tinted foliage that turns to green as it ages
- Blooms that are a hot pink / fuchsia color
- Well drained soil
- Pruning minimal

Distylium 'Coppertone'

Distylium

- Evergreen shrub
- H: 3-4 feet W: 4-5 feet
- Compact grower
- Disease and insect resistant
- Can also grow in wet soils
- A spreading-mounded shrub with copper-bronze-red emerging foliage that matures to matte blue-green.

Distylium 'Spring Frost'

Distylium

- Evergreen shrub
- H: 3-4 feet W: 4-5 feet
- New foliage is frosty white colored eventually maturing to medium green
- Disease and insect resistant
- Tolerates heat, drought, and can also grow in wet soils
- Spring Frost is laden with small reddish colored tassel like blooms / flowers in late winter....occasionally persisting into early spring.
- Good for cut flowers

Distylium 'Blue Cascade'

Distylium

- Evergreen shrub - compact
- H: 3-4 feet W: 4-5 feet
- Matte blue green foliage with cascading, layered habit. Reddish-maroon flowers January - March
- Disease and insect resistant
- Can also grow in wet soils

Deutzia

Gracilis Yuki Cherry Blossom

- H: 12-24" W: 12-24"
- Miniature deciduous shrubs
- Blooms pink bell-like flowers in spring
- Attractive burgundy fall color
- Resilient and requires little or no maintenance

Bottlebrush 'Mount Airy'

Fothergilla major 'Mount Airy'

- H: 3-5' W: 3-5'
- Deciduous
- Abundant fragrant white bottlebrush like flowers
- Dark green foliage turns a brilliant yellow-orange-red in fall
- Full to part sun. Moist but well drained soil

Gardenia 'Jubilation'

Gardenia jasminoides 'Leeone'

- Evergreen flowering shrub
- H: 3-4 feet W: 2-3 feet
- Fragrant heavy bloom in spring - white waxy petals. Re-blooms throughout summer. Good cut flowers
- Full sun to partial shade
- Growth: fast
- Well-drained acidic soil. Low water needs

'Crown Jewel' Gardenia

Gardenia 'Crown Jewel'

- Evergreen flowering shrub
- H: 2-3 feet W: 3- 5 feet
- Double fragrant blooms in spring - fall. Good cut flowers
- Full sun to partial shade
- Growth: fast
- Low growing and spreading
- Well-drained acidic soil. Water regularly
- Easy care

Althea 'Blueberry Smoothie'

Hibiscus syriacus (Rose of Sharon)

- Deciduous tree
- H: 6-8 feet Spread: 5-6 feet
- Blooms: Double bluish-purple Aug - Sept - heaviest flowering occurs in full sun
- Requires moist, well-drained soil
- Growth: moderate
- The Blueberry Smoothie is a magnet for butterflies and hummingbirds

Rose of Sharon Althea 'Raspberry Smoothie'

Hibiscus syriacus 'Raspberry Smoothie'

- Deciduous tree
- Height: 6-8 feet
- Spread: 5 - 6 feet
- Blooms: Double raspberry -
Aug - Sept - heaviest
flowering occurs in full sun
- Requires moist, well-drained
soil
- Growth: moderate

Dogwood 'Cherokee'

Cornus florida 'Cherokee'

- H: 15-20 feet W: 20-25 feet
- Deciduous low branched tree
- New leaves emerge bronze-red in spring, maturing to green. Autumn brings fantastic burgundy-red foliage.
- Winter red fruit clinging to bare branches.
- Needs regular watering weekly or more often in extreme heat. Good mildew resistance.
