

Perennials Part 1

Spring Sale 2018

Symbols and What They Mean

Full Sun	Part Sun	All Shade	Part Shade	
				
Drought tolerant	Moderate watering	Water frequently	Butterfly attractor	
				
Pollinator friendly	Deer Resistant	Hummer favorite	Rabbit Resistant	
				

Perennials

An advantage of perennials is that they do not have to be planted every year. Many perennials only flower for a few weeks each year, however, with careful planning you can have some perennials in bloom most of the season. Some consideration should be given to how a plant looks when it is not in bloom. Perennials with colorful or interesting foliage can provide interest even when they are not in bloom.

Yarrow 'Desert Eve'™ Deep Rose'

Achillea millefolium 'Deep Rose'

- 14-18" H 14-18" W
- Brick red blooms in early summer
- Herbaceous perennial
- Drought tolerant
- Inclined to spread
- Ferny foliage

Yarrow 'Saucy Seduction'

Achillea millefolium 'Saucy Seduction'

- 24-30" H 23" W
- Rosy pink blooms with white highlights
- Blooms in early summer
- Herbaceous perennial
- Drought tolerant
- Inclined to spread
- Sturdy green foliage

Yarrow 'Sunny Seduction'

Achillea millefolium 'Sunny Seduction'

- 24-30" H 23" W
- Soft yellow blooms with white highlights
- Blooms in early summer
- Herbaceous perennial
- Drought tolerant
- Inclined to spread
- Ferny gray-green foliage

Mexican Giant Hyssop Acapulco® Dark Blue

Agastache mexicana Acapulco™ Dark Blue

- 8-12" H 12" W
- Herbaceous perennial
- Citrus scented foliage
- Blooms from summer until frost
- Drought tolerant
- Do not grow well with 'wet feet'

Mexican Giant Hyssop Acapulco® Deluxe Rose

Agastache mexicana Acapulco™ Deluxe Rose

- 8-12"H 12" W
- Herbaceous perennial
- Citrus scented foliage
- Blooms from summer until frost
- Drought tolerant
- Do not grow well with 'wet feet'

Alocasia 'Mayan Mask'

Alocasia 'Mayan Mask'

- 72-96"H 36-48"W
- Upright elephant ear with white veins and maroon undersides
- Creates a tropical feel
- Zones 3-10

Wild Columbine

Aquilegia Candensis

- 1-3 ' H 1' W
- Red blooms in early spring
- Less susceptible to leaf miner than many other species, especially the hybrids
- Thrives in part to full shade in any well-drained soil
- Plants tolerate full sun if temperatures are cool, but they prefer partial shade
- Plant reseed readily

Aster

Aster 'Wood's Purple'

- 1-1.5' H 1-1.5' W
- Perennial
- Dwarf mounding plants
- Blooms vibrant purple flowers late Summer thru Fall
- Well drained soil
- Excellent disease and mildew resistance

Butterfly Bush 'Blue Chip' LO and BEHOLD

Buddleia hybrid 'Blue Chip'

- 24-30" H 24-30" W
- Dwarf butterfly bush
- Well drained; moist soil
- Long bloomer
- Drought tolerant
- Pollinator magnet

Butterfly Bush 'Summer Skies'

Buddleia davidii 'Summer Skies'

- 4-5' H 4-5' W
- Fragrant purple flowers and yellow-green foliage
- Heat tolerant
- Blooms on new wood in Summer
- Foliage won't scorch in hot sun

Bougainvillea

Bougainvillea spectabilis

- 8-20' H 5-6' W
- Thorny ornamental evergreen climber
- Flower-like bracts near its flowers.
- Some leaves are variegated.
- Blooms summer.
- Relatively maintenance free.
- Good in coastal conditions
- Frost sensitive, winter inside.
- Good in hanging basket.

Black Coral Elephant Ear

Colocasia esculenta Royal Hawaiian® 'Black Coral' PPAF

- 36" H 36" W
- Perennial
- Black glossy foliage with blue veins
- Tropical looking plant adds interest to any garden
- Soil should be kept moist
- Zone 7b-11

Coffee Cups Elephant Ear

Colocasia esculenta 'Coffee Cups'

- 36-60" H 36" W
- Glossy green leaves with dark purple-black stem
- Dramatic leaf cupping
- Zones 8a-10b
- Best in freshly ground soil

Mercury Rising Coreopsis

Coreopsis Big Bang™ 'Mercury Rising' PPAF

- 15-18" H 2-3'W
- Perennial excellent for cut flowers
- Drought tolerant once established
- Spreads, intertwining with its neighbors

Tickseed UpTick™ Cream & Red

Coreopsis UpTick™ Cream & Red

- 12-14" H 12-14" W
- Perennial
- Blooms late spring thru late summer
- Medium water
- Drought tolerant once established
- Large cream colored flowers with a burgundy-red eye. The bright flowers cover the tidy mound all summer.

Tickseed 'Moonbeam'

Coreopsis 'Moonbeam'

- 18" H 2 to 3' W
- Perennial
- Average to sandy /rocky soil, but well drained
- Blooms from early Summer to Fall with showy yellow flowers
- Some deadheading to encourage additional bloom
- Tolerates drought
- Divide 2-3 years to maintain robustness

Autumn Fern 'Brilliance'

Dryopteris erythrosora 'Brilliance'

- 1.5-2.5 ' H 1.5-2.5' W
- Dwarf-growing herbaceous fern
- Disease resistant
- Plant in shade sheltered from wind
- Water regularly to maintain moist soil
- Easy care

Japanese Holly Fern

Cyrtomium falcatum

- 1-3'H 2-3'W
- Well-drained, moist soil
- Large evergreen fern with glossy, dark green foliage
- Tough plant
- Moderately drought tolerant once established

Purple Coneflower

Enchinacea purpurea

- 2-3' H 18-24" W
- Full Sun
- Dry /medium soil
- Native Perennial
- Seeds food for birds
- Blooms summer

Blanket Flower

Gaillardia grandiflora 'Arizona Sun'

- 12" H 24"W
- Perennial
- Fiery-red flowers edged with a ring of yellow.
- Long bloom season summer into fall
- High drought tolerance
- Full to part sun
- Attracts birds, butterflies, bees

Blanket Flower

Gaillardia sunrita 'Burgundy Picotee'

- 14-18" H 14-18" W
- Perennial; well branched
- Thrives in poor sandy soils
- Blooms summer into fall
- High drought tolerance
- Full to part sun

Gaura 'Whirling Butterflies'

Gaura lindheimeri 'Whirling Butterflies'

- 2-3' H 3' W
- Herbaceous perennial
- White flowers from pink buds, then age to blush
- Airy appearance
- Blooms late Spring to Fall
- Grow in well-drained soils
- Sterile cultivar

Gaura 'Passionate Blush'

Gaura lindheimeri 'Passionate Blush'

- 2' H 2' W
- Herbaceous perennial
- Red stems and reddish buds that open to pink flowers
- Steady display of blooms from Spring to Fall
- Performs best in well drained sunny locations

Lenten Rose

Helleborus 'Wedding Bells'

- 18-24" H 24" W
- Blooms Early Spring
- Growth rate slow
- Clear white 2.5" flowers
- Drought and salt tolerant
- Evergreen

Lantana 'Bandana Red'

Lantana camara 'Bandana Red'

- 12-24" H 12-24" W
- Fragrant foliage, mounded
- Tender perennial-annual
- Long blooming
- Red to eventually orange blossoms
- Heat tolerant
- Deadheading not necessary
- Drought tolerant

Lantana 'Miss Huff'

Lantana camara 'Miss Huff'

- 4"H 4" W
- Fragrant foliage, mounded
- Tender perennial-annual
- Long blooming
- Showy orange and pink blossoms
- Heat tolerant
- Deadheading not necessary
- Drought tolerant

Lantana 'New Gold'

Lantana camara 'New Gold'

- 2'H 4' W
- Fragrant foliage, mounded
- Tender perennial-annual
- Long blooming
- Showy yellow blossoms
- Heat tolerant
- Deadheading not necessary
- Drought tolerant

Spanish Lavender Anouk

Lavandula stoechas 'Anouk'

- 10-14 " H
- Herb
- Purple blooms
- Compact evergreen lavender with fragrant gray-green foliage
- Blooms purple flowers early to late summer

Grace Ward Lithodoro

Lithodora diffusa 'Grace Ward'

- 6-12" H 3-4' W
- Perennial
- Evergreen ground cover
- Needs regular watering weekly or more in extreme heat
- Beautiful deep blue flowers
- Performs best with some shade in extremely hot areas

Cardinal Flower 'Queen Victoria'

Lobelia Cardinalis 'Queen Victoria'

- 3-4' H 2-3' W
- Blooms in summer
- Moist soil; medium water
- Perennial with cardinal red flower and bronze foliage
- Good for Rain Gardens

Bee Balm 'Jacob Cline'

Monarda didyma 'Jacob Cline'

- 3-5' H 2' W
- Native perennial
- Red 2" flowers starting in Summer
- Dark-green, fragrant
- Upright clumping habit
- Resistant to powdery mildew

Dwarf Bee Balm 'Arcade Grand Parade'

Monarda didyma 'Arcade' Grand Parade

- 13-16" H 18-24" W
- Native
- Perennial
- Fragrant flowers 2" royal pink-purple
- Blooms mid summer
- Loamy soil
- Moist
